

Greetings Dolphins Families,

This summer has been an exciting one filled with many projects, professional development, additions to our staff, campus clean up and of course preparing for the coming year. Ms. Pagan and I are excited to welcome you all back and are eager to get started together this year.

Last year, we began with the theme Destination Excellence: Motivate, Lead, Navigate, and Succeed. We spent the majority of the year focusing on how to motivate each other. This year we will continue our journey as Lakeview takes the LEAD in our District. A universal symbol of leadership, the LIGHTHOUSE, will be used to show us the way and provide us with a beacon pointing towards our destination: Excellence. When we lead one another we empower our students, and our community in the act of continuous learning and improvement. At Lakeview it is our goal to prepare every student to become a High school graduate who is poised for success through post-secondary education.

We would like to celebrate our successes from the past year. We scored in the top 10 in many academic areas for the district. Our fifth grade Science scores placed us at 2nd only behind Celebration and we were one of 10 schools to improve upon last year's results. Our STAR Reading and Math scores showed improvement over the previous year and again placed us at 3rd for reading and 6th for math overall performance in grades 3-5. This year we will place a strong emphasis on making sure our primary students have the tools to succeed as they progress through school. This year promises to be one of great transformation for Lakeview, and we are excited to be joining you in this journey.

We look forward to seeing you soon. Enjoy the rest of your summer.

We are glad you are here and we love you!

Sincerely,

Mrs. Shenuski & Ms. Pagan
